The screenshot displays the 'Wallet Request Transactions' interface. On the left is a sidebar menu with sections: Dashboard (Dashboard, Account), Team (My Referrals, Genealogy), Shop (Shopping Page, Your Orders), and Wallet Request (Request, View). The main area shows a table with columns: Time, Amount, Date, Bank, Method, Depositor, Transaction Id, Proof, Status, and Remark. A transaction is listed with a status of 'Pending'. A red arrow points from the 'Pending' status in the table to a magnified view of the status dropdown menu. This menu shows 'Status' at the top and 'Pending' selected in a yellow pill-shaped button.
